

TRUFCOLD[®]

A/C PERFORMANCE BOOSTER

SOLID SHEET

True Brand[®] TRUFCOLD[®] A/C PERFORMANCE BOOSTER is unlike anything else on the market! It not only cleans and removes oil fouling with its innovative formula, but also contains an A/C Booster and UV Leak Detector.

Oil is a necessary lubricant for any air conditioning system. Over time, it builds up and causes oil fouling, which can drastically decrease A/C system efficiency. TRUFCOLD[®] includes a special polymer that bonds to metal surfaces in the system to help prevent future oil deposits and fights heat by reducing friction between moving components.

Truth - Application / Directions

- Can be used in R134A and R1234YF systems!
- See product Application Sheet for installation directions.

Tested and Proven Results!

MAKE	MODEL	YEAR	MILEAGE	AMBIENT	BEFORE	AFTER	TEMP DROP
Lexus	RX351	2007	38,600	88.0°	54.6°	50.5°	4.1°
Honda	Accord	2000	104,000	90.0°	64.0°	56.0°	8.0°

Dodge	1500 Ram	2004	169,000	89.0°	51.4°	44.4°	7.0°

BEFORE TREATMENT

AFTER TREATMENT

Truth - Features / Benefits

True Brand TRUFCOLD[®] A/C PERFORMANCE BOOSTER cleans and protects your automotive A/C system by fighting against oil fouling, heat, and friction. It also boosts the cooling power, while extending A/C system life.

- Decreases evaporator temperature.
- Eliminates and prevents oil fouling.
- Speeds up heat transfer.
- Increases refrigerant flow.
- Reduces fuel use.
- Reduces maintenance costs.
- Faster cabin cool down.
- Colder air and increased comfort.
- Extends compressor life.
- Reduces compressor noise.
- Cleans & treats friction surfaces.
- Increases system life.
