

AC REFRESH

A/C SYSTEM ODOR ELIMINATOR

SOLID SHEET

True Brand® AC REFRESH is formulated to quickly and efficiently neutralize and eliminate odors caused by mold, mildew, bacteria, pets, smoke, and other contaminants in the air climate system. Additionally, it contains powerful deodorizers that keep the automobile interior smelling fresh and clean.

- Neutralizes Odors on Contact.
- Odors Are Eliminated, Not Masked.
- Fast and Easy Application.
- No Tools or Expensive Machines Needed.

Truth - Application / Directions

- Do NOT sit inside vehicle during application; stand outside vehicle while applying product.
- Start engine and set the air conditioner to normal (not maximum/recirculate).
- Hold can 8 to 12 inches above the exterior air intake vent with the nozzle aimed directly into the vent and spray product for four to six seconds.
- After applying the product, turn off the engine and let the solution sit in the ventilation system for 10 minutes.
- If needed, air out the vehicle with the windows down after application.
- Repeat as necessary for persistent odors.

For best results, perform service annually in conjunction with cabin air filter replacement. Perform follow-up service as needed for persistent odors.

Truth - Features / Benefits

True Brand AC REFRESH quickly and efficiently neutralizes and eliminates A/C system odors on contact to clean and renew automotive air climate systems without the need for tools or expensive machines.

- Deodorizes and freshens the system and cabin.
- Fast and easy application - NO expensive machines required.
- Neutralizes harmful contaminants that can cause health problems for vehicle occupants.
