

HIGH MILEAGE BOOSTER

FULL SYNTHETIC CONCENTRATED FORMULA

SOLID SHEET

True Brand® HIGH MILEAGE BOOSTER is a super-concentrated full-synthetic, GF-7/SQ compliant leave-in oil treatment for high mileage vehicles that fortifies all engine oil grades to provide long-lasting engine protection and help maintain optimum performance for extended life. It helps improve piston cleanliness and reduces friction, heat, and wear between moving parts. It also helps prevent oxidation and corrosion that can negatively affect oil viscosity and harm metal surfaces and helps prevent the negative effects of water, salt, and acids.

- Superior Anti-Wear Protection.
- Protects Vital Engine Parts to Help Extend Engine Life.
- Reduces Timing Chain Wear.
- Helps Restore Performance.
- Helps Revitalize Seals and Gaskets.
- Does NOT Alter Viscosity.
- Compatible with ALL Engine Oils.
- Safe for GDI, PFI, Hybrid, and Diesel Engines.

Truth - Application / Directions

- Add entire contents to crankcase. DO NOT OVERFILL.
- One bottle treats up to 5 quarts of crankcase oil.
- For higher capacity crankcases add an additional $\frac{3}{4}$ oz per quart.

*For best results, use at every oil change.
Use with True Brand Engine MAX for optimal engine protection.*

Truth - Features / Benefits

True Brand High Mileage Booster is a **GF-7/API SQ compliant leave-in oil treatment for high-mileage vehicles** that fortifies all engine oil grades to provide long-lasting engine protection and help maintain optimum performance for extended life. Advanced antioxidants prevent oxidation, while special detergents help keep piston rings, hydraulic lifters, and other engine components clean and free of sludge or deposits. True Brand High Mileage Booster also enhances the ability of engine oil to reduce friction and wear on internal engine components.

- Superior anti-wear formula.
- GF-7/API SQ compliant - does not alter viscosity.
- Compatible with ALL conventional and synthetic oils.
