

THROTTLE-BODY & AIR-INTAKE CLEANER

SOLID SHEET

True Brand® THROTTLE BODY & AIR-INTAKE CLEANER quickly removes harmful varnish, gum, and grime deposits that interrupt airflow and affect fuel/air ratio. Cleans the butterfly/throttle valve, throttle body, idle air control valves, linkage, PCV valve, and other internal components to improve rough idle, hard start, hesitation, engine stall, poor fuel economy, and weak acceleration.

- Removes Harmful Deposits.
- Eliminates Hesitation and Rough Idle.
- Improves Engine Performance.
- Oxygen Sensor and Catalytic Converter Safe.
- Cleans and Frees Air-Intake Parts.
- Safe, Effective, and Easy to Use.

Truth - Application / Directions

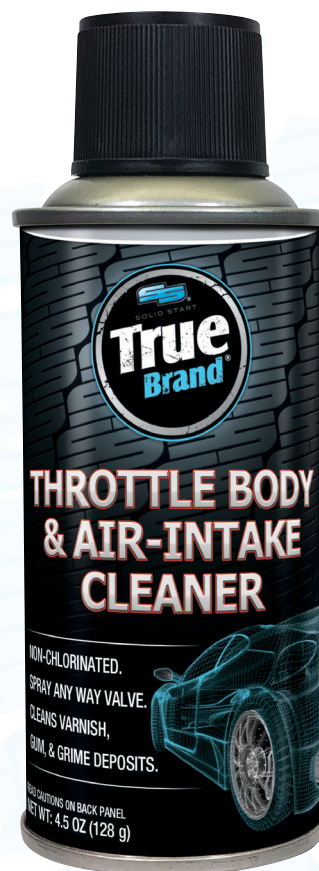

- Remove air-intake boot.
- With engine off, spray product down throttle body or carburetor throat onto throttle valve, automatic chokes, linkages, PCV valves, and heat risers.
- Replace air-intake boot.

For best results, use once yearly or every 15,000 miles (24,000 km), whichever comes first.

Truth - Features / Benefits

True Brand THROTTLE BODY & AIR-INTAKE CLEANER is a powerful solvent blend that quickly and easily removes gum, varnish, carbon, and other deposits from the throttle valve, throttle body, idle air control valves, PCV valves, and other parts of the air induction system. DO NOT SPRAY ON PAINTED SURFACES, RUBBER OR PLASTIC PARTS.

- Dissolves deposits that can cause rough idling, hard starting, stalling, and poor acceleration.
- Quickly removes gum, varnish, sludge, carbon, and other deposits to clean and free engine parts.
- Easy to use aerosol with 360° spray-anyway valve.
- Safe for gaskets, oxygen sensors, and catalytic converters.
- Meets low V.O.C. regulations.
- Safe to use - contains no fluorocarbons or chlorinated solvents.
