

MVP PREMIUM PROTECTION PACKAGE SOLID SHEET

True Brand® MVP PREMIUM PROTECTION PACKAGE is a 3-step pour-in protection kit that safely cleans deposit issues associated with today's complex, expensive, deposit-sensitive engines. It also fights ethanol problems, restores power, performance and fuel mileage, increases compression, and reduces friction to protect against cold-start damage and extend engine life.

- Helps Restore Power and Performance.
- Removes Harmful Deposits from Engine & PCV System.
- Helps Restore Fuel Economy by up to 7%.
- Removes Harmful Deposits from Fuel System.
- Fights Ethanol Problems and Safely Removes Water.
- Increases Compression.
- Reduces Friction Wear and Heat Stress.
- Helps Prevent Oil Breakdown.
- Reduces Oil Consumption.
- Helps Improve Oil Drain.
- Protects Against Cold-Start Damage.

***Safe and Effective for ALL GDI & PFI Gasoline Piston Engines.
NOT for use in E85 Gasoline.***

Truth - Application / Directions

- SHAKE EACH BOTTLE WELL
- Pour entire contents of **FUEL JUELS** into fuel tank.
- **Prior to oil change**, add entire contents of **GDI EMISSIONS & CRANKCASE SYSTEM CLEANER** to crankcase, immediately start engine & allow to idle for 4-6 minutes, then turn off engine and change oil.
- **During oil change**, add entire contents of **ENGINE MAX** to crankcase prior to adding new oil. **Do NOT overfill.**

For best results, perform this service once yearly.

Truth - Features / Benefits

True Brand MVP PREMIUM PROTECTION PACKAGE 3-STEP KIT is formulated to safely clean harmful deposits that build up and choke performance in today's new engine designs. Additionally, it restores fuel mileage by up to 7%, increases compression, and protects against ethanol problems, friction wear, and cold-start damage.

- Removes harmful deposits from crankcase, PCV System, intake valves, injector tips & combustion chambers.
- Reduces friction wear by 50-90%, as shown by oil analysis.
- Fights ethanol problems and safely removes water through the combustion process.
- Restores power, performance, and fuel economy tankful after tankful, for up to 6,000 miles!
