

PREMIUM DIESEL POWER PACK SOLID SHEET

True Brand® PREMIUM POWER PACK is formulated to remove water and help prevent algae build-up and fuel tank corrosion, while also improving fuel performance and reducing engine maintenance costs. True Brand PREMIUM DIESEL POWER PACK is formulated to quickly remove deposits, clean fuel injectors & combustion chambers, reduce emissions, diesel knock, exhaust smoke, and protect the engine's friction surfaces.

- **Safe for ALL Diesel Engines!**

Truth - Application / Directions

Premium Diesel Treatment:

- Pour entire contents into fuel tank.
- One bottle treats up to 35 gallons.

True Diesel MAX:

- Pour entire contents into fuel tank.
- One bottle treats up to 35 gallons.

For best results, use at every oil change or every 3,000 miles (4,800 km), whichever comes first.

Truth - Features / Benefits

True Brand Diesel PREMIUM POWER PACK is *engineered to clean & protect the diesel fuel system while also increasing horsepower and torque*. You have to feel the power yourself to believe it! Helps improve combustion efficiency and reduces exhaust emissions and smoke. *Safely removes water from the diesel fuel system through the combustion process.*

- Increases horsepower and torque
- Raises cetane number.
- Provides cold weather protection.
- Fights fuel gelling and inhibits algae formation.
- Superior cleaning power removes gum, varnish, and carbon deposits.
- Lubricates to provide oxidation & corrosion protection.
