

GAS TREATMENT

SOLID SHEET

True Brand® GAS TREATMENT is a **concentrated** formula designed to clean the fuel system while improving combustion and reducing exhaust emissions. This formula safely removes water from the fuel system and helps protect against ethanol problems. Safe for ALL gasoline and diesel engines. Will not harm catalytic converters or oxygen sensors.

- Cleans and lubricates.
- Protects against deposits.
- Fights harmful effects of ethanol.
- Helps remove water.

Truth - Application / Directions

- Pour entire contents into fuel tank.
- One bottle treats up to 30 gallons.

For best results, use at every oil change or every 3,000 miles (4,800 km), whichever comes first.

Truth - Features / Benefits

True Brand GAS TREATMENT cleans and lubricates the entire fuel system and protects working components from dry-out, rust, and corrosion.

- Oxygen sensor safe.
- Will not harm catalytic converters.
- Safe for ALL gasoline and diesel engines.
- Helps improve combustion.
- Helps reduce exhaust emissions.
- Protects working components from dry-out, rust, and corrosion.
