

# POWER STEERING

## 2-PART MULTI-VEHICLE KIT

### SOLID SHEET

True Brand® 2-PART MULTI-VEHICLE POWER STEERING KIT is formulated to meet OEM requirements for General Motors, Ford, Chrysler, Honda, ATF, ATF 3, most automobiles, and light trucks. Restores quiet steering control and also protects against friction, heat, wear, oxidation, corrosion, foaming, and clogging. Leave-in treatment helps eliminate squeals and chatter due to sticking components, protects against foaming, and also conditions and protects seals against drying and shrinkage.

### Truth - Application / Directions

#### MANUAL PROCESS:

- Remove old power steering fluid from reservoir.
- Add NEW fluid to "FULL". **DO NOT OVERFILL.**
- Run vehicle 5 to 6 minutes while turning steering wheel to the left and to the right (purging system).
- Add Power Steering Treatment (a leave-in protectant) to the power steering reservoir after service is complete.

#### MACHINE PROCESS:

- Follow machine instructions.
- Drain and Fill. **DO NOT OVERFILL.**
- With NEW fluid turn steering wheel to the left and right to bleed air from system.
- Refill to full. **DO NOT OVERFILL.**
- Add Power Steering Treatment (a leave-in protectant) to the power steering reservoir after service is complete.

*For best results, perform a power steering service every 30,000 miles (48,000 km) or as recommended by manufacturer.*

### Truth - Features / Benefits
