

CVT CLEANER

SOLID SHEET

True Brand® CVT CLEANER is a special solvent-free blend of cleaners and detergents engineered to clean and suspend harmful varnish, sludge, and other contaminants in the transmission system to prepare the transmission system for new fluid. Compatible with belts, pulleys, wet clutches, rubber seals, electronics and other components.

- Cleans and Suspends Harmful Varnish and Sludge Deposits.
- Suitable For Use in Most CVT & DCT Applications.
- Compatible with all CVT fluids.

Truth - Application / Directions

- Add contents via the dip stick tube, exchange machine, or in-line tool.
- Run engine in park for 5 minutes.
- Place foot on brake and slowly switch from park to forward to reverse and back to park 3 times.
- Run in park for an additional 5 minutes.
- Perform fluid exchange.

For best results, perform transmission service every 30,000 miles (48,000 km) or as recommended by manufacturer.

Truth - Features / Benefits

Save your customers money and protect their continuously variable transmission with True Brand CVT Cleaner. Regular preventative maintenance may save on major repair costs and reduce the possibility of a transmission replacement.

- Suitable for use in most CVT & DCT applications.
- Compatible with all CVT fluids.
- Compatible with rubber seals and other transmission system components.
- Helps prepare the transmission and fluid lines for new fluid.
- Helps suspend varnish, sludge, and contaminants from the transmission system, allowing for better removal of wear metals and debris.
