

FULL-SYNTHETIC MULTI-VEHICLE ATF SOLID SHEET

True Brand® FULL-SYNTHETIC MULTI-VEHICLE ATF is a full-synthetic, multi-vehicle automatic transmission fluid engineered to be suitable for use in most vehicles with automatic transmissions. *Helps ensure proper transmission performance with NO NEED TO STOCK MULTIPLE OR EXPENSIVE BRANDS!*

- Superior Friction and Anti-Shudder Performance.
- Superior Oxidation Control.
- Superior Anti-Wear Protection.
- Suitable For Use in MOST ATF Applications.

Truth - Application / Directions

- For use in ATF service fill or top off applications ONLY.
- Not recommended for use in continuously variable transmissions (CVT) or dual clutch transmissions (DCT).

For best results, perform fluid exchange regularly according to vehicle manufacturer recommendations.
