

WINTERWASH

WINTER WASHER FLUID CONCENTRATE

SOLID SHEET

True Brand® WINTERWASH is a super-concentrated winter washer fluid formula that performs and protects under even the harshest winter weather. Removes light snow, ice, and road grime, leaving windshields sparkling-clean and streak-free for improved visibility. Protects to -5° F (-20° C) when used as directed.

- De-Icer: Protects to -5° Fahrenheit.
- Removes Light Snow, Ice, Grime, and Bugs.
- Leaves Windshield Streak-Free.

Truth - Application / Directions

- SHAKE WELL.
- Pour entire contents into washer fluid reservoir.
- Top off with water.
- 1 bottle = 1 reservoir.

For best results, use every time you fill the washer reservoir.

Truth - Features / Benefits

Visibility is extremely important when navigating cold and sometimes icy winter roads. This concentrated de-icer windshield washer fluid pour-in removes light snow, ice, and road grime, leaving windshields sparkling-clean and streak-free for improved visibility.

- De-Icer: Protects to -5° F.
- Removes light snow, ice, & road grime.
- 1 bottle = 1 reservoir.
- Save \$ on inventory.

THE CHOICE OF CHAMPIONS since 1989

Mix Ratio*	Concentration	Freeze Point
12oz : 1gal	9%	-5° F
24oz : 1gal	19%	-10° F
36oz : 1gal	28%	-20° F
48oz : 1gal	38%	-40° F

*Mix required amount of WINTERWASH (12oz equals 1 bottle) with one (1) US gallon of water for desired results.
