- Natural emollients moisturize hands.
- No washing, quick-drying, and easy to use.
- Light, pleasant citrus scent.

Truth - Application / Directions

REFILL USE:

- Shake Well. Carefully pour contents into applying dispenser.

PERSONAL USE:

- Put enough sanitizer on hands to cover all hand surfaces (palms, fingers, finger nails, cuticle area. etc.).
- Rub hands together until they feel dry (this should take around 15 seconds).
- Do NOT rinse or wipe off the hand sanitizer before it's dry; it may not work well against germs.
