

# VITAL CAR CARE KIT

## SOLID SHEET

True Brand® VITAL CAR CARE KIT is an essential maintenance service designed to protect vital vehicle systems and enhance long-term performance. This professional-grade service kit reduces friction and wear, optimizes fuel efficiency, and helps prevent costly repairs by safeguarding the engine, transmission, fuel system, and cooling system.

- Protects Vital Engine and System Components.
- Restores Power, Performance, and Fuel Economy.
- Concentrated PEA Formula Cleans Harmful Fuel System Deposits.
- Reduces Emissions and Octane Requirements.
- Safely Removes Water from Fuel System.
- Protects Against Ethanol Problems.
- Reduces Friction Wear and Heat Stress.
- Helps Prevent Oil Breakdown and Reduces Oil Consumption.
- Protects Against Cold-Start Damage.
- Fortifies Coolant to Reduce Acidity.
- Protect Coolant System Components Against Corrosion and Rust to Extend System Life.

### Truth - Application / Directions

- Apply Upgrade Fuel System Cleaner (part# T2010), following all instructions on the product label carefully. One bottle treats up to 20 gallons of fuel.
- Apply Engine Max (part# T111), following all instructions on the product label carefully. One bottle treats 4 to 8 quarts of crankcase oil.
- Apply ATF Treatment (part# T4088), following all instructions on the product label carefully.
- Apply Cooling System Treatment (part# T5088), following all instructions on the product label carefully.

**For best results, use every two years or every 30,000 miles (48,000 km), whichever comes first.**
